

The graph displays the training loss for two models over 4000 epochs. The 'Model 0 loss curve' (solid blue line) and the 'Ensemble data loss' (blue line with markers) both show a rapid initial decrease in loss, followed by a more gradual decline. The ensemble data loss is consistently slightly higher than the model 0 loss curve after the initial training phase.

Epoch	Model 0 loss curve	Ensemble data loss
0	High	High
500	Medium-High	Medium-High
1000	Medium	Medium
1500	Low-Medium	Low-Medium
2000	Low	Low
2500	Low	Low
3000	Low	Low
3500	Low	Low
4000	Low	Low
