

The graph illustrates the performance of a baseline model versus a model trained on ensemble data. The baseline loss remains high and unstable, while the ensemble data loss shows a clear downward trend, indicating improved model performance.

Epoch	Baseline loss curve	Model 0 loss curve	Ensemble data loss
0	~0.05	~0.05	~0.05
500	~0.05	~0.045	~0.045
1000	~0.05	~0.035	-
1500	~0.05	~0.025	-
2000	~0.05	~0.018	~0.018
2500	~0.05	~0.012	-
3000	~0.05	~0.008	-
3500	~0.05	~0.005	~0.005
4000	~0.05	~0.004	~0.004
